

TO BE AN EXTRA (A.K.A. BACKGROUND PERFORMER) IN NORTHERN ONTARIO...

There are a number of different independent Background Casting Agencies and Individuals. Sometimes a production will seek to fill roles on their own, but most of the time they hire one of these people. Here is what you should include in your information when you e-mail them, they may need more info, but the following is a good place to start.

Keep your information concise, as Background casting agents deal with MANY people all at the same time? They are people persons, but they are also running a business. Send them a clear photo of just you and the following information to get started. Be sure to check social media and cionorth.ca to discover BG opportunities.
